The 2020 Integrity 440 Sedan - Unrivaled Luxury, Unmatched Features, Listed for sale by its original owners & Moorage Available to Purchaser!

Experience the epitome of maritime excellence with the 2020 Integrity 440 Sedan Yacht, a vessel that combines opulence with cutting-edge technology. This floating masterpiece is equipped with the finest features, ensuring every journey is a testament to luxury and performance.

Luxurious Design: The Integrity 440 Sedan Yacht boasts a sleek and sophisticated design that turns heads at every port. With a spacious deck and tastefully appointed interiors, this yacht is a floating masterpiece designed for those who appreciate the finer things in life.

Spacious Comfort: Escape to a world of comfort in the yacht's well-appointed dual cabin layout. Luxurious sleeping quarters, modern amenities, and panoramic views make every journey a retreat. The spacious layout allows you to relax and unwind as you cruise through the open waters.

Elegant Entertaining: Entertain in style with the yacht's expansive deck and plush seating areas. Whether hosting a soiree under the stars or enjoying a peaceful sunset cruise, the Integrity 440 provides the perfect setting for unforgettable moments with friends and family.

Dometic Hydronic Heating: Chase away the chill of the open sea with the full Dometic Hydronic Heating system. Enjoy cozy warmth in every corner of your yacht, extending your sailing season and making every moment on board a comfortable and inviting experience.

Presto XL500 Lift: Effortlessly launch, via handheld remote, water toys, tenders, or simply enjoy easy access to the water with the Presto XL500 Lift. This state-of-the-art lift system adds a new dimension to your yachting adventures, providing convenience and functionality at your fingertips.

BRNKL Vessel Monitoring System: Stay in control and connected with the BRNKL Vessel Monitoring System. Monitor your yacht's security, location, and vital systems remotely, ensuring peace of mind whether you're on board or miles away. Your yacht's status is just a click away with this advanced monitoring solution.

400 Watt Victron Solar System: Embrace eco-friendly yachting with the 400 Watt Victron Solar System. Harness the power of the sun to keep your yacht's systems charged and ready, reducing your environmental footprint while enjoying the serenity of solar-powered cruising.

Cummins QSB 6.7 Engine: Powerful and efficient, the Cummins QSB 6.7 Engine producing 301HP propels the Integrity 440 with efficient and impressive performance. Whether navigating coastal waters or embarking on long-distance voyages, this engine ensures a smooth, efficient and reliable journey. With only 228 hours this powerhouse will perform for years to come.

9 KW Onan Generator: Enjoy the luxury of uninterrupted power with the 9 KW Onan Generator, with a mere 34 hours of run time. This reliable generator ensures your yacht remains fully operational, providing power for all your onboard amenities and comforts, making every trip worry-free.

Why Choose this 2020 Integrity 440 Sedan Yacht?
