Manufacturer Provided Description

The Bayliner 4788 Pilot House Motoryacht combines comfort, an elegant line, and luxury features. The large bridge deck, with its fully-appointed helm and generous lounge seating, allows captain and guests to enjoy the view together. The 4788 features a wide lounge seat sculpted into the foredeck for sunning, a large transom door for easy access to the broad boarding platform, and generous side decks with grab rails for extra security. The master suite includes a large double berth, twin hanging lockers, a separate dressing room with settee that converts to upper and lower bunks, and a private bath with large vanity and enclosed tub. The midship stateroom offers another a double berth and across the companionway is a second bath complete with shower. The 4788 features a fully equipped electric galley, large salon windows, and unencumbered movement throughout the vessel. Standard equipment includes Raytheon radar, AutoHelm autopilot, electric anchor windlass, and davit with electric winch.
