PURE VISION.

2003 PDQ Power Cat – Original Owner – Exceptionally Maintained

Offered for sale by her original owner, this 2003 PDQ Power Cat presents a rare opportunity to acquire one of the most respected and efficient cruising catamarans ever built. Designed and constructed in Canada for serious coastal cruising, the PDQ delivers remarkable fuel economy, outstanding stability, and comfortable accommodations in a practical, easy-to-manage package.

This vessel has been meticulously cared for since new, with a fully documented service history and thoughtful upgrades throughout. Powered by twin reliable Yanmar 4JH3-TE diesel engines with only 600 original hours, she offers dependable performance and economical cruising for years to come.

Equipped for extended cruising and off-grid adventures, this PDQ features diesel hydronic heating for comfortable year-round boating along with a comprehensive solar array to support independent anchoring and efficient onboard systems management.

The helm has been modernized with upgraded Garmin electronics, providing excellent navigation capability and modern functionality whether cruising locally or exploring farther destinations.

Additional recent maintenance includes new bottom paint and mechanical servicing in 2025 reflecting the owner's continued commitment to keeping the vessel in excellent condition.

The spacious catamaran layout offers exceptional stability underway and generous living space aboard, with bright panoramic visibility, comfortable accommodations, and practical systems access throughout.

Features Include:

- Original owner vessel
- Transferable moorage at Van Isle Marina
- Complete documented service history
- Twin Yanmar 4JH3-TE diesel engines
- Approximately 600 original engine hours
- Diesel hydronic heating system (Hot water heater integrated)
- Extensive solar panel array with Lifeline Batteries
- Upgraded Garmin electronics package with Autopilot
- New bottom paint & Mechanical Service 2025
- 9' AquaPro SMR901 tender with Torqeedo travel 1103 electrical outboard
- Efficient and stable catamaran hull design
- Excellent coastal cruising platform
- Well maintained and turn-key condition

The PDQ Power Cat remains highly sought after for her efficient cruising characteristics, quality Canadian construction, and comfortable accommodations. Opportunities to purchase a low-hour, original-owner example with this level of care and documentation are exceptionally rare.
