**Cleanest, Professionally Maintained Sea Ray 380 on the market!**

### **TRANSFERABLE MOORAGE AT VAN ISLE MARINA!**

Exceptionally clean and professionally maintained, this Sea Ray 380 Sedan Bridge stands out as one of the finest examples currently available on the market. Extensively upgraded and thoughtfully cared for by experienced owners, this vessel shows true pride of ownership throughout and is fully equipped for comfortable cruising, entertaining, or extended liveboard use.

Powered by twin Caterpillar 3126 TA 350HP diesel engines with only 1,260 hours, this Sea Ray delivers dependable performance, excellent handling, and economical cruising.

The spacious two-stateroom, two-head layout, with the salon couch converting into a double bed offers exceptional comfort for family cruising or hosting guests, while the expansive bridge and cockpit spaces create an ideal platform for entertaining on the water.

The current owners' intention has been to maintain and present the boat as a true turnkey package, with extensive upgrades, cosmetic improvements, and ongoing service work completed.

#### **Interior Accommodations:**

The interior offers a warm and inviting layout with quality finishes and generous natural light throughout.

The aft master stateroom features a queen berth, abundant storage, and a private ensuite head with separate shower.

Forward, the guest stateroom includes a comfortable double berth with access to the guest head and shower.

The salon is spacious and bright, featuring comfortable seating, large panoramic windows, and an upgraded flat-screen TV entertainment system. The fully equipped galley includes a refrigerator, convection microwave, three-burner cooktop, stainless double sink, updated faucet and soap dispenser, ample countertop space, and a new air fryer for added onboard convenience.

#### Exterior & Flybridge:

The flybridge is thoughtfully laid out with full instrumentation, excellent visibility, generous guest seating, and a premium Sunbrella enclosure, making it comfortable in a wide range of weather conditions.

The cockpit provides excellent entertaining space with a wet bar, sink, cockpit refrigeration, and easy access to the extended swim platform and tender system. Wide side decks and secure walkways allow safe movement throughout the vessel.

#### Recent Improvements & Service History:

- Oct 2025 – Hauled out, running gear sanded and zinc-coated
- Oct 2025 – Both PSS shaft seals replaced
- Oct 2025 – Forward head drain system repaired
- Oct 2025 – Bilge pump and float switch replaced
- Oct 2025 – Water accumulator and associated plumbing replaced
- Apr 2025 – Forward and aft mini-split heat/AC units serviced and repaired
- May 2025 – Hull bottom sanded, primed, and painted
- May 2025 – New zincs installed
- May 2025 – Full professional detailing completed on hull, decks, enclosure, and dinghy

This is a turnkey Sea Ray 380 Sedan Bridge that has benefited from knowledgeable ownership, extensive upgrades, and ongoing professional maintenance. A rare opportunity to acquire a clean, highly equipped cruiser with sought-after transferable moorage at Van Isle Marina.

## Manufacturer Provided Description

The Sea Ray 380 Aft Cabin is long and wide to accommodate any number of guests and activities. But its beauty is in the smooth, clean line with no steps in the walkway to the foredeck. The forward-mounted bridge helm offers improved visibility forward and aft, while opening the bridge for abundant entertaining space. The side-mounted helm station easily accommodates the standard Raytheon electronics package with room to spare for additional instruments. Two adjustable captain's chairs allow the captain and a navigator to pilot the craft from an optimum vantage point, while a forward-facing aft seat provides guests with an equally fantastic view. The bridge also comes with a standard snap-in carpet liner, burl instrument panels, courtesy lights, steel safety rails, and a Bimini top and enclosure. On the aft deck, the 380 Aft Cabin is built for all-weather enjoyment with a fiberglass hardtop, and a full enclosure with port and starboard acrylic entry doors. Inside there's a wet bar with ice maker, sink, trash receptacle, grab handles, beverage holders, and a secure bottle storage cabinet. A transom door leads to the wide add-on swim platform equipped with a concealed stainless steel ladder. The Sea Ray 380 Aft Cabin gets its superb performance from twin MerCruiser gas inboards (380 horsepower each), and from a host of standard features like hydraulic steering, a patented underwater exhaust system, an emergency start system, freshwater engine cooling, and much more. There's also a high water bilge pump with a systems monitor panel at the helm. In the bright, open cabin, the aft master stateroom has room enough for a queen-size bed (with a large storage area below), built-in night table, cedar-lined closets and hanging locker, plus an abundance of drawers and cabinets for personal items. A standard entertainment center makes the place even more inviting with a 13-inch TV - VCR combination. The private forward stateroom, which also has a 13-inch TV - VCR combination, has a full-size pedestal bed with generous storage, including floor compartments. Both staterooms have full head areas with a VacuFlush toilet, shower wand, and privacy door. In the salon, the Sea Ray 380 Aft Cabin has plenty of space to relax with a comfortable barrel chair, a dining table that adjusts to a coffee table, and a large L-shaped couch with slide-out bed. Everyone can enjoy their favorite shows on the 20-inch color TV - VCR combination in the salon entertainment center, along with the standard Clarion AM-FM digital cassette stereo with eight speakers and a bridge remote control. The cabin is surrounded by luxurious deep-pile marine carpet, handcrafted wood trim, granite-colored countertops and tables, indirect lighting and more. Even the galley is loaded with convenience: a three-burner electric stove, a coffee maker, a microwave - convection oven, and a 7.4 cubic foot refrigerator and freezer.
