2008 Chaparral Signature 280

Freshwater Kept Until 2025 • 4.3 Volvo Power Dual-Prop • Transferable Moorage at Van Isle Marina

This clean and well-maintained 2008 Chaparral Signature 280 offers the perfect blend of performance, comfort, and versatility. Having spent the majority of its life in freshwater until April 2025, this cruiser presents well and shows the benefits of careful ownership and ongoing maintenance.

Powered by twin low-hour Volvo Penta 4.3 GXI-G fuel-injected engines, the Signature 280 delivers impressive performance, economical cruising, and confident handling. The vessel is equipped with Volvo Penta DPS-B1 dual-prop outdrives that were replaced in 2022 and fully serviced in 2024, providing peace of mind for years to come.

The spacious cockpit is designed for entertaining, featuring comfortable seating, a wet bar, and excellent visibility from the helm. Below deck, the well-appointed cabin offers overnight accommodations for family and guests, complete with a functional galley, enclosed head, and generous sleeping areas.

Comfort is assured in all seasons thanks to reverse-cycle air conditioning and heat, while the Kohler 5kW generator allows for complete independence at anchor.

The vessel has received professional maintenance, including a major engine and mechanical service completed in January 2025, oil service 2026 and fresh zinc replacement in June 2026.
