2021 Parker Poland 920 Max Highly Upgraded | Twin Yamaha 200s | Transferable Moorage at Van Isle Marina

This 2021 Parker Poland 920 Max is an outstanding example of one of Europe's most versatile and capable pilothouse cruisers. Combining offshore capability, family cruising comfort, and serious fishing functionality, this vessel has been meticulously maintained and extensively upgraded by her current owner. With just 245 hours on her twin Yamaha F200 four-stroke outboards this Parker is truly turnkey and ready for its next adventure.

The 920 Max is renowned for its exceptional seakeeping abilities, enclosed pilothouse, wide walkaround side decks, and spacious self-draining cockpit. Whether you're cruising the Gulf Islands, fishing offshore, or spending weekends exploring the Pacific Northwest, this vessel offers comfort, safety, and versatility in equal measure.

One of the standout features of this offering is the transferable moorage at Van Isle Marina in Sidney, BC, providing the new owner with the rare opportunity to secure moorage at one of the West Coast's premier marinas.
