2015 Grady-White 232 Gulfstream

Repowered in 2023 • Warranty until June 2028 • One Owner • New Electronics • Trailer

If you're looking for one of the finest Grady-White 232 Gulfstreams on the market, this is an opportunity not to be missed.

This one-owner 2015 Grady-White 232 Gulfstream has been meticulously maintained and extensively upgraded, making it an outstanding turnkey package for the serious angler or adventurous cruiser. Taken in on trade by Van Isle Marina Yacht Sales, this vessel has received significant recent investments in power, electronics, and equipment, and is fully serviced, surveyed, and ready for its next owner.

In 2023, the boat was repowered with twin Yamaha F200 four-stroke outboards, which currently have 456 hours. Offering exceptional reliability, fuel efficiency, and performance, the engines are paired with Yamaha Helm Master EX joystick control and integrated autopilot, providing effortless docking and precise handling in all conditions. Yamaha Extended Warranty in place until June 2028!

A comprehensive Raymarine electronics package was installed in 2026, giving this Gulfstream the latest in navigation, fish-finding, and thermal imaging technology. Whether you're trolling for salmon, targeting halibut offshore, or enjoying weekends exploring the Gulf Islands, this Grady-White is equipped for every adventure.

- Van Isle Marina trade-in

Legendary Grady-White Quality

The Grady-White 232 Gulfstream has earned its reputation as one of the premier walkaround fishing boats on the market. Built on Grady-White's renowned SeaV²® hull, it delivers an incredibly smooth, dry ride while maintaining excellent stability for fishing and entertaining.

The spacious cockpit is designed for serious anglers, while the comfortable cabin offers overnight accommodations, protection from the elements, an enclosed marine toilet, and the amenities needed for extended weekends on the water. Whether you're fishing offshore, cruising the San Juan or Gulf Islands, or simply enjoying a day on the water with family and

friends, the 232 Gulfstream is equally at home.

With its 2023 Yamaha repower, premium 2026 electronics suite, Helm Master joystick, FLIR thermal camera, Starlink connectivity, electric downriggers, rebuilt trailer, and recent survey and servicing, this is an exceptionally well-equipped example that stands apart from the competition.

Turn the key and go—every major upgrade has already been completed.
