1997 Sea Ray Sundancer 330DA Turn-Key Cruiser • Extensive Upgrades • Premium Tender Package

This exceptionally well-maintained 1997 Sea Ray Sundancer 330 is a turn-key cruising package that has been thoughtfully upgraded and meticulously cared for by her current owner. Powered by twin MerCruiser 7.4L V8s with V-drives, she offers an excellent combination of performance, comfort, and cruising capability.

The popular Sundancer 330 layout provides spacious accommodations for extended stays aboard, with sleeping for up to six, a full galley, private mid-cabin, convertible dinette, forward island berth, and a VacuFlush head with shower.

Equally impressive is the boat's systems package, which is designed for comfortable extended anchoring. A Westerbeke generator, 320W solar array, Victron MPPT solar controller, AGM battery bank, and smart battery charger provide excellent off-grid capability.

Recent upgrades include Wallas diesel cooktop/heater, Nova Kool refrigerator/freezer, full camper canvas, cockpit carpet, Clarion Bluetooth stereo, and a Sea-Wise Davit System and Gala Tender.

PREMIUM TENDER PACKAGE INCLUDED

Adding significant value to the package is the included tender setup:

2021 Gala Atlantis A270HD aluminum RIB

2023 Mercury 20 HP EFI four-stroke outboard

Custom-fitted SeaWise manual davit system

PERFORMANCE & PROPULSION

Twin MerCruiser 7.4L V8s — 330 HP each

V-drive transmissions

Port engine: 1,395 hours

Starboard engine: Professionally rebuilt in 2020 — only 254 hours since rebuild

Closed freshwater cooling systems

Bronze 3-blade propellers

Cruise speed: approximately 25 knots

Top speed: approximately 31 knots

Shaft seals replaced in 2021

Fresh bottom paint and zincs completed May 2026

ELECTRICAL & OFF-GRID SYSTEMS

Well equipped for extended cruising and comfortable time at anchor:

Westerbeke generator

320W flexible solar array

Victron MPPT solar controller with Bluetooth

ProMariner ProNautic 1230P three-bank smart charger

(2) Hub Power L16 420Ah AGM 6V house batteries

(2) CDNRG 31S AGM starting batteries

READY TO CRUISE

This is a clean, exceptionally equipped Sea Ray 330 that has benefited from significant investment in both mechanical and cruising systems. With the rebuilt starboard engine, extensive electrical upgrades, solar charging, generator, diesel heating/cooking, newer canvas, updated refrigeration, and a premium tender package, she is exceptionally well suited for cruising the Gulf Islands, Desolation Sound, and beyond.
