DUE TO NEW COVID PROTOCOLS, WE SCHEDULE VIEWINGS BY APPOINTMENT ONLY, PLEASE CONTACT OUR OFFICE.

Manufacturer Provided Description

At 6,900 pounds and 8'6" beam, the 270 is fully trailerable so you can take to the highway to start your next cruising adventure. Choose between two cockpit options depending on whether you prefer entertaining or watersports. Performance-minded, the only single engine stern drive in our Signature fleet accelerates with authority, tracks true and is dry riding in big water. Standard trim tabs level out shifting weight loads. An integrated swim platform creates a seamless look. Key options include a remote spotlight, aluminum radar arch, a windlass and a generator. The 270 comes standard with an AM/FM/CD player, MP3 jack, a dash remote and four waterproof speakers. The optional upgrade adds triaxial speakers, a 320 watt amplifier and a 10" subwoofer.
