**SUMMER DISCOUNT: \$19,500**

**Annual moorage or upland storage in secure yard with exclusive use of boat ramp at Van Isle Marina available to Purchaser.**

**New Venture Commander 7300 trailer available to purchase as well.**

The C 238 is the answer to a multi-purpose fishing boat that performs beautifully. Engineered with the unparalleled quality of the entire fleet of Pursuit Boats, it's perfect for a day on the water.

Based on the original C 260, the Pursuit C 238 is elevated in class and luxury with notable upgrades including a crystal-clear tempered glass windshield and larger 23-gallon livewell. With an aerodynamic surfboard style molded fibreglass hardtop, plenty of fishing amenities and a fully equipped console, the sleek C 238 is made for sport fishing and watersports.

At just under 25' and a beam of 8'6", the C 238 has a slightly smaller footprint than the C 260 but is still roomy enough to host a small group of fishing and watersports enthusiasts without feeling overcrowded. Including the forward lounge seats with backrests, dual helm seats and a convenient folding stern seat, there's plenty of seating for fishing buddies and guests. It's also designed with modern accents like the cupholders and steering wheel at the helm, plus the six rod holders throughout.

There's also plenty of additional storage. The bow seating features lower storage and fibreglass hatches to stash important gear along with dedicated cooler space. Made from a completely molded fibreglass interior, the console has a SaniPottie head with deck pump-out fitting, 12V overhead light and two-piece molded fibreglass door.

**FACTORY OPTIONS SELECTED FOR THIS BUILD:**

- Yamaha® Digital F300 V6 Offshore (Pearlescent White) with Integrated Digital Electric Steering (DES) and Helm Master® EX Digital Electronic Control (DEC) and CL5 Display
- Stainless Steel Delta Anchor
- Rotating Bow Seating Backrests (Port & Starboard)
