You'll capture the heart of the most cunning fish, and much more, with the Cuddy King's unexpected amenities, the flawless ride, and more room to fish and relax — all skillfully netted together in signature Weldcraft style. With a steep bow entry, upswept bow, self-bailing aft deck, and true reverse chine on a wide 8' bottom, the Cuddy King is all you'd hope for in a serious, ocean-going sportfisher. Superior function is enhanced through thoughtful form in 40" sides constructed of .160 gauge 5086 aluminum alloy for rock-solid strength and seaworthiness. The Cuddy King series is loaded with substantive features like a forward-leaning windshield, driver and passenger Mariner suspension seats, cabin sub-floor storage, and aft deck sub-floor insulated fish box with a macerator pump out. Countless galley and stand-up head configurations are available too. And even though it sports a full 8' 6" beam, this ocean Cuddy is trailerable so it goes on land and water anywhere you ask it to.
