TRANSFERABLE MOORAGE SLIP AT VAN ISLE MARINA - AVAILABLE TO PURCHASER!

This Cutwater Command Bridge has been upgraded and maintained to the highest of standards. With terrific visibility from the two helm stations, you'll navigate the waterways with ease. The bright and spacious interior spaces and exterior seating makes DANCING EAGLE well-suited for entertaining or extended cruising.

Volvo Penta Diesel inboard D6 435hp (only 441 hours!)

Aftercooler & heat exchanger removed and serviced by Volvo Penta dealer in October 2023

July 2023: Annual haul out maintenance completed with power wash, bottom paint, zinc anodes replaced & professionally compounded/polished/waxed

SidePower bow and stern thrusters with wireless remote control

Standard Horizon VHF radio

Fusion stereo system (multi-zone)

Garmin autopilot with wireless remote control

Garmin navigation system w/ GPS touchscreen plotter, radar and sonar

Custom full flybridge enclosure and removable cockpit sunshade made by Clear Marine Canvas

Webasto diesel furnace including separate buss heater from engine

Morningstar solar panel, 140 watt w/remote meter

Victron Energy MultiPlus Compact 12V/2000W/80amp inverter/charger (installed December 2023)

10' RIB tender mounted on Weaver snap davits and Yamaha 6hp four stroke outboard

This efficient and versatile family cruiser brings onboard livability, luxury and convenience to a whole new level.

The Cutwater 30 CB cruises effortlessly and comfortably, delivering express service to even remote destinations; standard two station bow and stern thrusters (with wireless remote) ensure precise maneuvering and easy docking. For its performance, economy and comfort, no other cruiser can offer this kind of value. With only 441 hours on the engine, this C30 Command Bridge is an excellent value

Cutwater's Command Bridge variation of the stylish C-30 features upper and lower helm stations for expanded cruising options. With seating for four on the command bridge and a helm seatback that flips forward to face the aft seat and table, you and your guests can enjoy the best view in the harbor. The C-30 Command Bridge features a retractable fiberglass command bridge dash for trailering that enables distant locations to be within easy reach.

Access to the command bridge is made safe via secure stairs and hand rails. This family cruiser offers all the advantages of Cutwater's C-30 Sedan, in a large boat that provides spacious interior room, a long list of standard features and comfortable onboard living.

An ingenious new cockpit seating arrangement welcomes up to eight adults without crowding, and a new Euro-style galley conceals appliances beneath a hinged countertop that is ideal for buffet or refreshment service.

The Cutwater 30 Command Bridge accommodates six guests in three separate berths, for exceptional privacy and comfort even on extended cruises. On the foredeck, two flush hatches open to reveal cushioned, secure observation seats, along with a central forward lounge.
