This **1985 Vagabond 47** is a true classic, designed by the renowned naval architect William Garden. With its timeless lines and robust bluewater capabilities, the Vagabond 47 is a go-anywhere yacht that's equally at home offshore or in protected coastal waters. Known for its solid construction and superb craftsmanship, this boat is perfect for cruisers, liveaboards, or those looking to explore distant horizons.

With a well-maintained interior and a powerful, yet fuel-efficient engine, this vessel is ready for long voyages, weekend getaways, or even living aboard in comfort. The Vagabond 47 is a rare find and an opportunity to own a piece of maritime history with modern amenities and a world-class sailing experience.

Crafted with solid fiberglass and a full keel, the Vagabond 47 exudes strength and durability. Its deck features a small center cockpit, raised aft quarter deck, and wide side decks for comfortable offshore cruising. With ample seating and storage lockers, you'll find the perfect balance between comfort and functionality.

Step below deck and discover a world of possibilities. This model boasts a spacious V-berth forward, an enclosed head, and a hanging locker. The main salon welcomes you with inviting settees and a dining area. The walk-through galley is equipped with modern appliances, while the aft cabin offers a king-sized berth and a private head and shower. Throughout the interior, teak accents create an atmosphere of warmth and elegance.

Key Features:
