This 1996 Tollycraft Flybridge Motor Yacht blends classic design with modern comforts, offering luxurious accommodations and exceptional performance on the water. With its spacious layout and meticulously maintained condition, this yacht is ideal for extended cruising and entertaining guests in style.

The 65' Tollycraft is a classic example of an Ed Monk Jr.-designed motor yacht with Pacific Northwest character. The largest yacht of the iconic Tollycraft line, the 65 was built between the years of 1992 and 1997 with a total production run of 13 builds (MV Spirit Bear is hull number 7). The 65 features a semi-displacement hull with reported dry weight of 68,000lbs with relatively narrow, seakeeping-focused beam of 17'11". With an expansive foredeck, large 23-foot-long flybridge, wall-to-wall master suite, midships, and many more amenities, the 65 touts an excellent balance of sea-saltiness and luxury.

KEY FEATURES:

- Spacious flybridge with helm station and ample seating
- Luxurious interior with high-quality finishes and furnishings
- Multiple staterooms and bathrooms for comfortable overnight stays
- Fully equipped galley with modern appliances
- Generous salon area with dining space
- Well-maintained engines and mechanical systems
- Extensive storage throughout the yacht
- Updated navigation (Garmin) systems
- Swim platform for easy water access

Layout

"Spirit Bear" is a three stateroom 3 head layout. Entering from the large cockpit into the salon you find rich teak cabinetry and custom teak sofa to starboard and custom teak seating to port with storage below. The flooring is custom Lonseal teak and holly, forward is the full size galley with double door refrigerator and a large hard surface counter top with bar stools. Large window provide ample lighting and panoramic views. Up a few steps is the spacious pilothouse with helm station forward and a large settee to starboard. Wing doors allow access from the pilothouse to the walk-around covered side decks. There is a staircase to port that leads to the enormous flybridge with custom fiberglass hardtop, ample seating and built in appliances and storage. The boat deck is aft with davit system and saddles for a tender. Back in the pilothouse the curved staircase forward leads to the full beam master aft a VIP with Island queen forward and a guest room with double bunks is to starboard, all have in-suite heads.

The fore-deck has a large sun pad area, windlass and access to the large walk around side decks allowing safe comfortable access around the vessel.

Machinery and engine access is located in the cockpit with hydraulic hatch lift. Transom door in cockpit allows access to the swim platform.
