Step aboard this like-new 2023 Beneteau Swift Trawler 35 – a modern passagemaker that blends classic trawler style with contemporary efficiency and exceptional livability. With 2 cabins and 1 head, this well-equipped yacht is ideal for long weekends or extended coastal cruising.

Renowned for her seaworthy hull, spacious interior, and fuel-efficient performance, the ST35 delivers comfort and capability in equal measure. Powered by an efficient Cummins 6.7L diesel engine and equipped with both bow and stern thrusters, docking and maneuvering are effortless—even in tight marinas.

This vessel has seen minimal use and is loaded with sought-after features for Pacific Northwest cruising. A lightweight inflatable tender with electric propulsion rides on Weaver davits, making shore excursions easy. The flybridge includes ample seating for the whole family and a brand-new Dickinson BBQ, ready for your first grill-out at anchor.

Inside, you'll find twin staterooms plus a pull-out sofa bed, offering comfortable accommodations for guests. Full-cabin blinds provide privacy and help regulate temperature for year-round enjoyment.

This is a rare opportunity to own a practically new Swift Trawler 35 without the new-boat price tag. Don't miss out—this package is hard to beat!
