Guaranteed moorage or
secure upland storage
available at Van Isle Marina
in Sidney, BC

With an efficient but
spacious layout, the stylish
Pursuit OS 325 combines
timeless style with the
premium features Pursuit is
known for. Enjoy the best of
today's high-end products
and technologies from the
Garmin navigation package,
twin Yamaha outboards,
even Corian countertops in
the cabin.

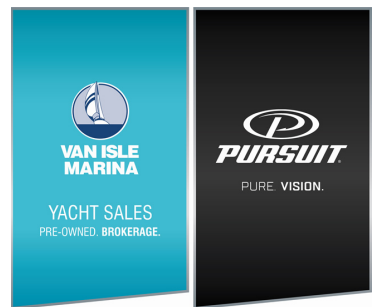

With a 10'10" beam and 9'2" clearance with the fibreglass hardtop and integrated visor, the OS 325 is the most size-conscious of the Pursuit offshore models, while still boasting everything (and more) that experienced skippers expect from Pursuit. Customize the vessel to your exact preferences, from the interior fabric to the air conditioning systems.

At just the right size, the cockpit with fully adjustable captains chair will keep the captain comfortable throughout long cruises to your favourite port. Molded port bridge lounge seating with footrest and equipment storage has space for another 2-3 boaters who can enjoy the Bluetooth compatible JL Audio entertainment system while on board. For more seating, there's a molded aft-facing cockpit seat and convertible bench seat on the transom that can be tucked away when it's time to get down to business.

Twin Yamaha Digital F300 V6 Offshore (Pearlescent White) with Integrated Digital Electric Steering (DES) and Helm Master EX Digital Electronic Control (DEC)), Multifunction Display Interface
