Where Offshore Power Meets Everyday Adventure

AVAILABLE NOW!

Step aboard the Pursuit S 248 and experience premium performance, smart design, and luxurious amenities that exceed expectations.

Powered by a single 350hp Yamaha outboard motor, this center console delivers smooth acceleration, fuel efficiency, and confident offshore capability. As an entry-level model in the renowned Pursuit lineup, the S 248 sets the standard for class-leading craftsmanship, fishability, and comfort.

Designed with serious anglers in mind, this versatile fishing boat features in-floor insulated fish boxes, abundant rod storage, spacious storage compartments, and a wide, open aft cockpit ideal for casting, trolling, or entertaining. The oversized fiberglass hardtop with a full wraparound windshield provides exceptional protection from wind, spray, and sun—keeping you comfortable whether running offshore or relaxing at anchor.

Thoughtful details elevate every outing, including a patented folding aft seat that maximizes cockpit space and a convenient slide-out cooler system for effortless access to refreshments. From family cruising to offshore fishing adventures, the Pursuit S 248 center console offers the perfect blend of performance, luxury, and practicality.

- Rod Holders, Stainless Steel (8) - Gunwales (4) and Transom (4)
- Fish Boxes, In-Floor (port & starboard, 11 gallons each) with Foam Insulation and Diaphragm Discharge Pump with Diverter Valve
- Live Well, Lighted 24 Gallon Recirculating (Oceana Blue) with Acrylic Lid

HELM

- Molded Fiberglass Aft Tilting Helm with Instrumentation Visor, Electronics Mounting Surface and Integrated Fiberglass Footrest
- Steering Wheel, 316L Stainless Steel on Tilt Sport Plus Helm
- 12V Switch Panel with Illuminated Rocker Switches
- Compass
- Trim Tab Control Panel with Indicator
- 12V Outlet and Dual USB (A & C) Charger
- Drink Holders, 316L Stainless Steel (2) Extra Deep
- Storage Tray with Non-Slip Padded Surface

CONSOLE

- Two Piece Fiberglass Door with Gasket and 316 Stainless Steel Locking Latch
- Molded Fiberglass Interior
- Console Entry Steps
- Head, SaniPottie with 5 Gallon Holding Tank (Removeable)
- Toilet Tissue Holder
- Storage Cabinet with Hinged Access Doors
- Integrally Switched 12V Overhead Light
- 12V Distribution Panel and Battery Switch
- Fire Extinguisher

Electrical Systems

- UL® Rated Fully Tinned, Color Coded Copper Wire
- Custom In-House Built, Heat Sealed, Mechanically Crimped, Color Coded Battery Cables
- Custom In-House Built, One Piece Electrical Harness with Waterproof Connectors and Chafe Protection
- Powder Coated, Aluminum, Screen Printed (Front & Back) Battery Switch and Breaker Panel
- Two Battery System: Engine (1) and House (1)
- Grounding Bus Bar
- Electronics Fuse Block

MECHANICAL SPACE

- Stainless Steel Anchor
- Molded Interior with Integrated Bilge Sump Area and White Gel Coat
- Molded Removable Access Hatch with Gasket
- Bilge Pumps: 1100 GPH (2) Low Profile with Automatic Float Switches and Stainless Steel Clad Composite Thru Hull Fitting
- Live Well Pump - 1100 GPH Tournament Series with Seacock and Thru Hull Fitting
- Raw Water Pump, Pressure Sensing with In-Line Filter

Fuel System

- EPA Compliant Lined 120 Gallon Rotomolded Fuel Tank with Engine Pickup, Shutoff Valve and Digital Level Indicator
- Custom Built Premium Fuel Feed Lines with Mechanically Crimped Fittings
- Yamaha® Water Separating Fuel Filter with Primer Bulb
