EagleCraft 36' Cruiser – Rugged West Coast Aluminum Yacht

Built in Campbell River, BC by EagleCraft Boats, this EagleCraft 36' Cruiser (usable 38' with integrated swim platform and handrails, and 40' overall including pulpit and transom) embodies the strength, safety, and practicality that have made EagleCraft a legend on the West Coast. Purpose-built for Pacific Northwest cruising and sportfishing, she offers the ideal balance of commercial-grade construction and refined interior comfort.

Dry stored through the winter and maintained to an exceptional standard, this vessel features low-hour Volvo D4 diesels, serviced outdrives (2025), 2025 bottom paint, and transferable moorage at Van Isle Marina—one of Vancouver Island's premier marinas.

Highlights & Equipment

Twin Volvo Penta D4-320HP diesels – low hours

DPI outdrives serviced (2025)

Cruises comfortably at 32 mph while achieving approximately 1.2 miles per gallon

Electronic steering, joystick docking & dynamic positioning system

Bow Thruster

Garmin Glass Cockpit with dual 16" GPSMAP 8616 displays, radar, AIS & FLIR M232 thermal camera

Aft cockpit helm with 12" Garmin chartplotter, joystick and bow thruster control, autopilot control, and a bank of lockable drawers for fishing supplies

Wireless remote autopilot controller

Webasto 30,000 BTU diesel furnace with multi-zone thermostats

Ocean Air RIB tender with Yamaha 9.9 outboard, winch-powered davit & chocks for easy launch and retrieval

Aft cockpit salt and fresh water wash downs and shower, bow wash down for anchor

Dry stored winters (2021/2022), bottom paint completed 2025

Transferable moorage at Van Isle Marina

11'4" beam – easily trailerable for transport or seasonal storage

Integrated swim platform and handrails – overall length approximately 40 feet

Log skegs for outdrive protection – ideal for rugged coastal cruising

Perfectly set up for fishing with 3 downrigger mounts & wiring, live well, bait tank, chilled fish locker, and macerated fish

storage box

Fishing platform set-up for three downriggers; engines feature low-speed trolling mode

Forward cabin includes a flat-screen TV

Aft cockpit with starboard side boarding door and transom door for easy access to the swim platform

Comfortable for family cruising as well as serious West Coast fishing adventures

Spare prop and impeller included on the parts list

Layout & Accommodation

Forward high-profile cuddy cabin with island berth & custom mattress

Quarter berth under L-shaped settee; salon dinette converts for additional sleeping

Galley with stainless sink, induction cooktop, side-by-side refrigerator/freezer, and microwave

Additional Dometic fridge and freezer located under the aft deck

Head with VacuFlush toilet, hot water & added handrails for safety

Cherry cabinetry, teak and holly linoleum flooring, and soft-touch vinyl ceiling

Construction & Systems

Approx. 40' LOA including pulpit and transom, 11'4" beam, 5086 aluminum alloy construction

Forward-leaning cabin with mineral wool insulation & tinted glass windows

Dual AGM batteries (house/start), Magnum 2800W inverter, and 30A shore power

900L aluminum fuel tank with dual Racor filters

225L stainless freshwater tank

Dual solar panels with charge controller and low-amp battery maintainer

Volvo spare filters, belts, spare prop and impeller included on the parts list

Electronics & Navigation

Garmin GPSMAP 8616 Glass Cockpit system with radar, AIS, FLIR M232 thermal camera & aft camera

Additional 12" Garmin chartplotter at aft helm station

Icom M506 VHF with CommandMic III

Garmin GHC20 autopilot controller at both helm stations

Wireless remote autopilot

LED lighting package, spotlight, and full navigation light suite

Deck & Fishing Equipment

Integrated swim platform with dive ladder, handrails, and transom & side doors

Fully rigged for fishing – downrigger mounts and wiring, rod holders, livewell & macerated fish box

Bow and cockpit railings, Rocna 25kg anchor with windlass

Swim grid railings with chain closures & fold-up drink holders

Tender with Yamaha 9.9 outboard, winch-powered davit, and new tender cover

Tie-down points for Yeti cooler against aft cabin door

Additional Features

Log skegs for outdrive protection and improved tracking

Magnetic phone charging bases at helm & cuddy night table

Added handrails in galley and head

Custom cabinetry and optimized storage throughout

Full LED lighting and electrical upgrades

Summary

This EagleCraft 36' Cruiser (40' LOA) is a rare find—combining rugged commercial-grade construction with modern luxury and advanced electronics. Featuring low-hour Volvo D4 diesels, rebuilt outdrives (2024), Garmin Glass Cockpit with dual helm control, dual refrigeration setups, spare prop and impeller, and a fully equipped fishing station, she's equally at home chasing salmon off the coast or exploring remote inlets with the family.

Location: Sidney, BC

Moorage: Transferable at Van Isle Marina

Condition: Turn-key, serviced, and ready for her next owner
